

Speaker Schedule.

26 November 2020, 12-8pm AEDT

20+ hours live

How do I register?

If you haven't already, register for free at www.carsinthecloud.com.au. This will give you access to all keynotes and tech talks on Thursday 26 November, 12-8pm AEDT.

How do I ask a question?

Simply type your question in the text box. Click on 'Ask a Question' during keynotes. Speakers will answer questions at the end of their presentation. We may not be able to answer all questions on the day, but we'll make every effort to get you the answers you're looking for.

What if I miss a session?

Life happens, we know. But fear not, we've got you covered. All keynotes will be available on demand in the Conference Space shortly after the live session. We've also included some of our past favourites in there as well for good measure.

We run multiple Tech Talks throughout the day, so if you miss one, hopefully you can make the next one. And if all else fails, you can always talk to the tech experts via text or video chat.

Need help?

Drop us a line at hello@carsinthecloud.com.au.
